

DOCTRINE AND COVENANTS SECTION 93

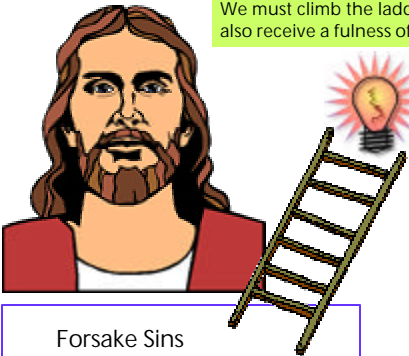

▶ How and What to Worship

IMPORTANT GOSPEL PRINCIPLES

- Those who forsake their sins, come unto Christ, call on His name, obey His voice, and keep His commandments will see His face and know that He is (1).
- Jesus grew from grace to grace until He received the fulness of His Father. Those who follow Jesus' example, worship the Father, and keep the commandments will also receive of the Father's fulness (11-20, 26-28).
- Intelligence, or the light of truth is eternal. Truth is the knowledge of things as they are, were, and are to come (24, 29, 31-36).
- Keeping the commandments brings us light and truth and protects us from Satan's influence. Disobedience causes us to lose light and truth (24-39).
- God commands parents to pray and to raise their children in light and truth (40-50).

KNOWING CHRIST AND RECEIVING LIGHT & TRUTH

We must climb the ladder of life and grow grace to grace until we also receive a fulness of light and truth, just as Jesus did.

Light and Truth

More light and truth helps us resist temptation.
